

**STATEMENT OF THE SUBSTANCE OF THE INTERVIEW WITH THE EXAMINER**

A phone interview was conducted on June 30, 2008. The participants were the following: (1) Rip a. Lee (Examiner); and (2) Ray Ashburg (Applicants' Attorney). Claim 17 and depending claims thereof were discussed. An agreement was reached that claim 17 directed to propylene copolymer possesses novelty over the cited prior art against the instant application as indicated in the office action dated March 27, 2008.
